

## PAC Partners Appointed Lead Manager

Transformative, predictive cancer diagnostics technology company, Rhythm Biosciences Ltd (ASX: **RHY**) (**Rhythm** or the **Company**) is pleased to announce that it has appointed PAC Partners Securities Pty Limited (**PAC Partners**) in relation to its entitlement offering to existing shareholders (**Rights Issue**).

PAC Partners primary role will be acting as the sole bookrunner in seeking investor commitments to secure investment in the Company on the same terms as the Rights Issue for entitlements not subscribed for (if any) by existing shareholders (**Shortfall Shares**).

### Participation in Shortfall Shares (if any)

Parties seeking to commit to participating in the take-up of Shortfall Shares (if any) from Rhythm's Rights Issue Offer should register their interest with PAC Partners principal Sean Kennedy at [corporate@pacpartners.com.au](mailto:corporate@pacpartners.com.au).

Otto Buttula, Executive Chairman of Rhythm, commented *"We are pleased to have entered into this mandate with PAC Partners, a company we have known for some time and who have a strong understanding of the opportunities ahead for our simple, inexpensive portfolio of diagnostics tests, commencing with our most advanced technology ColoSTAT®. Importantly it provides a centralised source for investor inquiry with a leading, independent equities provider, experienced in life sciences; thereby allowing the Rhythm team to continue to focus upon advancing its manufacturing, regulatory and commercialisation activities."*

### About Rhythm Biosciences

Rhythm Biosciences Ltd (ASX: RHY) is an Australian innovative, medical diagnostics company aimed at delivering simple, affordable blood tests for accurate and early detection of cancers. Rhythm is focused on improving patient outcomes through detection at the earliest possible stage, reducing the global burden of cancer and saving lives.

Rhythm Biosciences is committed to working with likeminded global partners to achieve commercialisation and distribution of these simple solutions.

The company was founded in 2017 and is headquartered in Melbourne, Australia. For more information, visit [rhythmbio.com](http://rhythmbio.com) and follow the company on LinkedIn and Twitter.

#### **About ColoSTAT®**

Colorectal cancer (CRC), also referred to as bowel cancer, is the second leading cause of cancer deaths globally. If diagnosed early, colorectal cancer is curable.

The ColoSTAT® Test-Kit is Rhythm Bioscience's simple blood test for the detection of CRC. It measures five specific protein biomarkers that indicate the likelihood presence of CRC. The test can be used as an alternative for individuals who are unable or unwilling to participate in current screening programs.

The ColoSTAT® Test-Kit is based on research from Australia's CSIRO and is patent protected internationally. It has the potential to play a key role in reducing the mortality rate and healthcare costs associated with colorectal cancer.
