

Change of Auditor

29 January 2020

In accordance with Listing Rule 3.16.3, Rhythm Biosciences Limited ("**RHY**" or "**the Company**") announces that BDO Audit Pty Ltd ("**BDO Audit**") has been appointed as auditor of the Company. The appointment follows the resignation of BDO East Coast Partnership ("**BDO ECP**"), and ASIC's consent to the resignation in accordance with s329(5) of the Corporations Act 2001 ("the Act").

The change of auditor arose as a result of BDO ECP restructuring its audit practice whereby audits will be conducted by BDO Audit, an authorised audit company, rather than BDO ECP.

In accordance with section 327C of the Act, a resolution will be proposed at the 2020 Annual General Meeting to confirm the appointment of the Company's auditor.

About Rhythm Biosciences

ASX-listed Rhythm Biosciences is developing and commercialising a screening and diagnostic tool for the early detection of colorectal cancer, the third biggest cause of cancer-related deaths globally.

Rhythm's lead product, ColoSTAT[®], is intended to be a simple, affordable, minimally invasive and effective blood test for the early detection of bowel cancer for the global mass market. It is expected to be comparable to, if not better than, the current standard of care, the faecal immunochemical test (FIT), at a lower cost. ColoSTAT[®] also provides an alternative for those who choose not to, or are unable to, be assessed using standard screening programs.

ColoSTAT[®] is designed to be used easily by laboratories without the need for additional operator training or additional infrastructure.

ColoSTAT[®] has the potential to play an important role in reducing the morbidity and mortality rates and healthcare costs associated with colorectal cancer. Globally, over 850,000 people die from colorectal cancer each year.
